

**Date Correction - In-person Event - Monday 12th May from 4pm to 8pm**

# 81-103 King's Road

Dear Neighbour,

As you may be aware, we received planning permission in July 2024 to deliver a new home for Marks and Spencer, Grade A office space, and significant public realm enhancements at 81-103 King's Road.

Following planning permission being granted, we assembled an experienced project team with a strong track record of delivering high-quality, sustainable buildings to take forward the project. As we now begin the delivery phase of the project, we would like to take this opportunity to reemphasise our commitment to keeping you informed and involved throughout the redevelopment process.

We would, therefore, like to invite you to a community meet-and-greet session and a webinar to introduce the delivery team, share project updates, and answer your questions.

The meet-and-greet session will take place at:

**Foyle Room 1,  
National Army Museum, Royal  
Hospital Rd,  
London  
SW3 4HT**

on: **Monday 12th May from 4pm  
to 8pm**

The webinar will take place on: **Wednesday 14th May at 6:30pm.**
